

Health and Safety Policy Statement

The Deritend Group Limited as a multi-site repair facility of rotating equipment and supplier of associated services in West Bromwich, Middlesbrough and Luton are fully committed to ensuring that high levels of health and safety standards are implemented and maintained at all times.

It is our aim to remove or reduce the risks to the health, safety and welfare of all workers, contractors and visitors, and all other interested parties who may be affected by our business operations and ensure all work activities are carried out safely.

The Deritend Group Limited will provide and maintain as far as possible:

- a safe working environment;
- safe systems of work;
- safe plant and equipment, and ensure safe use of substances in safe conditions;
- provision of facilities for the welfare of workers;
- information, instruction, training and supervision that is reasonably necessary to ensure that each worker is safe from injury and risks to health and welfare.
- a commitment to communicate, consultation and participate with workers in all matters and all other interested parties relating to high levels of health and safety in the workplace
- a commitment to continually improve our health and safety performance through effective safety management.
- A commitment to remove any barrier that results in improvement in health and safety

In addition, Deritend will implement an effective Health and Safety Management System to manage the risks associated with our operations and activities through the framework of ISO 45001:2018.

Deritend will carry out and regularly review risk assessments to identify hazards and existing control measures. We will prioritise, plan and complete any corrective actions required to reduce risk to an acceptable level.

Deritend will maintain our premises, site operations and work equipment to a standard that ensures that risks are effectively managed.

Deritend will actively promote a positive culture to Health and Safety issues, encouraging staff to identify and report hazards, so that we can all contribute to creating and maintain a safe working environment.

We will ensure that responsibilities for Health and Safety are allocated, understood, monitored and fulfilled.

The Company is committed to compliance with all Health & Safety Legislation applicable to the business. We shall set Objectives for continual improvement and monitor via our Management Review Process.
