

ENVIRONMENTAL POLICY STATEMENT

The Deritend Group provides a wide range of engineering solutions across the UK operating from workshops and offices based in West Bromwich and Luton. The Deritend Group believes that all aspects of its operations should be carried out in such a way as to have a positive impact on the environment and by nature of our business, recovery, recycling and re-use of product forms a significant part of our operations taking climate change into account. The organisation will control its activities in order to minimise any negative effect on the environment.

The Deritend Group Limited is fully committed to:

Continued environmental performance improvement by implementing robust environmental management systems accredited to ISO14001, and ensuring that sufficient resources are made available to implement this policy.

Ensuring that we adhere to and are complaint with applicable environmental legislation, codes of practice and other environmental standards of relevance to the industry and services we supply.

Developing objectives supported by targets reviewed at our Management Review, to manage all potential significant environmental impacts resulting directly from our operations and ultimately reduce impact on the environment. Prevention of pollution, monitoring and reducing any adverse impact of the Group's operations on the environment and local community and taking appropriate opportunities to minimise waste and re-use and recycle materials wherever possible.

Providing all employees with the information, instruction and training required for working effectively in caring for the environment and training needs pertinent to this policy will also be identified and appropriately managed.

Working in partnership and promote environmental best practices wherever possible with our customers and suppliers to ensure effective environmental supply chain management; and

Communicating to everyone working for or on behalf of the Group and all interested parties the requirements of our environmental policy.

Mike Smith

Managing Director
